I have the honour to submit the following proposal for the employment in the Government Training School for Women, Bellary, of an additional peon on Rs.12-18 per mensem with effect from 1st June 1931.

2. The above training school is a higher elementary training school with a training department consisting of 5 training classes including the lower elementary and preparatory classes and a higher elementary model school with standards 1 to 8. The menial establishment sanctioned for it consists of only one peon on Rs.12-18 per mensem and the (P.T.O)

and the Inspectress of Girls Schools.Third Circle. reports that the Head Mistress of the school finds it very difficult to manage with one peon, particularly when he is sent out on errands. ~~She~~ She therefore recommends that an additional peon on Rs.12-18 per m mensem may be employed in the school with effect from 1st June 1931. I support the Inspectress's recommendation and request Government to accord the necessary sanction. I may state in this connection that all other Government Training Schools for Women of similar size have been provided with two peons.

3. The extra expenditure involved by the employment of the additional peon in 1931-32 will be Rs.108/- (Rs.12 x 9), the ultimate cost being Rs.180 (Rs.15 x 12) per annum.

4. The proposal will be included in Part II of the estimates

Employment of an additional peon in the Coal Training School for women, Bellary

The Director's proposal may be accepted the peon being employed from the 1st July 1931 instead of from the 1st June 1931 as suggested by the Director. The additional expr involved is very small and it does not appear that this should be placed before the Finance Committee as a part of scheme. If the Finance dept agree, orders may be issued immediately sanctioning the proposal.

Subject to approval a draft order is submitted.

PAPER TO BE PLACED ON THE TABLE.

[SUBJECT.—*Government Training Schools for Women, Anantapur and Bellary—Employment of additional peons.*]

Summary.

Head of account.	Item of expenditure.	Ultimate cost per annum.	Cost in 1931-32.
		RS.	RS.
31. I. Education—Special—Government special schools—B. Training schools—Mistresses—2. Pay of establishments—Voted.	Employment of an additional peon in the Government Training School for Women, Bellary and a laboratory peon in the Government Secondary and Training School for Women, Anantapur, on Rs. 12—18 each a month.	360	192

NOTE BY THE ADMINISTRATIVE DEPARTMENT.

The Government training school at Bellary consists of higher and lower elementary training and preparatory classes and has a model school containing standards I to VIII. The sanctioned menial staff of the school consists of only one peon. The Director of Public Instruction reported recently that the headmistress found it very difficult to manage with a single peon especially when he was sent out on errands and hence recommended the employment of a second peon in the school. As other Government higher elementary training schools have two peons the Government have sanctioned the Director's proposal.

The Government secondary and training school at Anantapur is a combined high and training school. The high school offers instruction in Elementary Science under the 'A' group and Physics under the 'C' group of the S.S.L.C. scheme. The various classes are held in three different buildings and the Director reports that the services of the two peons now employed in the school cannot be spared for laboratory work. He therefore requests that a separate peon may be sanctioned for menial work in the laboratory. There are separate peons for laboratory in other Government high and training schools and the Government have therefore sanctioned a peon for the school at Anantapur.

In both cases the additional peons will be on the standard scale of pay of Rs. 12--18 and will be employed from the commencement of the next school year, i.e., from 1st July 1931.

The fact may be reported to the Finance Committee.
